

**Boil Water Notice Rescinded  
For the City of Edgewood Public Water Systems  
June 7, 2023**

On June 5, 2023, the Texas Commission on Environmental Quality required the City of Edgewood public water system/PSW ID 2340002, to issue a Boil Water Notice to inform customers, individuals, or employees that due to water outage which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and bacteriological quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of June 7, 2023.

If you have questions concerning this matter, you may contact Petra Marley at 903-896-4448/214-636-0894 or Charles Ball at 903-307-9167, 107 NE Front Street, Edgewood. The public water system customers and the executive director shall be able to reach the public water system at one of the numbers listed in this notice. If a customer, individual, or employee wishes to contact the executive director, please call (512) 239-4691.
